

CON-KLEEN

Great Time
Saver

Biodegradable

Safe and
Effective

Con-Kleen

A very heavy-duty cleaner for commercial applications particularly effective in the golf, leisure and construction industries.

A brilliant golf course spray tank cleaner. Con Kleen is a especially effective cleaner and neutralizer for removing pesticide deposits and other debris from tanks, booms, hoses, filters, nozzles and other machinery. Particularly effective on iron deposits....

Superb, safe and efficient cleaner for floor and wall tiles in washrooms, showers and toilet areas.

Con Kleen's biodegradable aqueous blend of mild acid, non-ionic surface active agents and inhibitors is extremely effective and fast acting when dealing with hard water scale, mould, algae and other deposits.

A great construction clean up product. Removes plaster slap and other insoluble scales and deposits. Excellent at removing industrial grime and stains from brick and stone surfaces.

Benefits

- Will also clean and etch concrete floors, ensuring an effective key left
- Descales and derusts metals prior to painting.
- Non-irritating and no toxic fumes
- Can be used indoors with normal ventilation
- Can be used by brushing, spraying or dipping.
- Biodegradable: complies with EU Detergent Directive 2005 –2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material.

Physical Properties

Appearance: Clear thin liquid
Colour: Red
Density: 1.10
PH <1.00
Fragrance: Acidic
